Workforce Investment Board Recognizes Four-Star WorkSource and YouthSource Career Centers

Thursday, May 30, 2013, The Community Development Department (CDD) and the City of Los Angeles Workforce Investment Board (WIB) recognized the City's Four-Star WorkSource Centers and YouthSource Youth Opportunity Centers for their stellar performance throughout Program Year 2011-2012.

The ceremony, which took place at CDD, paid tribute to the outstanding achievements of the WorkSource and OneSource systems for their ability to create hope in a time of continued unemployment in the city.

While the City's 18 WorkSource Centers provide employment services to adults and dislocated workers, its 13 YouthSource Youth Opportunity Centers offer career services for student youth and young adults between the ages of 14 and 21 as well as summer job training and placement.

Charles Woo, Chair of the City of Los Angeles Workforce Investment Board (WIB) and Megatoys CEO said, "Our workforce development system set a record for providing assistance to job seekers. Our fifteen Four-Star award level centers helped tremendously to serve this demand."

Each year, a performance evaluation rates the centers in four categories: (1) Satisfaction (2) Outcomes (3) Customer Flow and (4) Administrative Capability. This year, four WorkSource Centers, along with eleven YouthSource Youth Opportunity Centers, were recognized for their outstanding achievement:
